## Another Proud Moment for DPS, GBN!

*Arise, awake and stop not till the goal is reached.*

– Swami Vivekananda

The DPS, GBN family has always envisioned to develop confident and responsible individuals who aspire to achieve their full potential and the tradition of excellence continues! We are pleased to share that our students have made us proud again. The hard work, training and guidance has paid off as four DIPsites from 2019-20 batch have been selected in various IITs.

We are proud of our young achievers and congratulate the parents and teachers for always being the guiding force!

## A Day to Remember: The Virtual Founder's Day

Founder's Day is one of the most reflective events that connects school, teachers, students and parents seamlessly. This year, we celebrated the mega event virtually to prevent the spread of COVID 19. It was an opportunity to laugh, cry, remember and to praise the memories of this wonderful school. The spirit of DPS, GBN soared high which was evident in the virtual Founder's Day celebration. The remarkable presentation of national anthem without using any musical instruments but mere use of everyday objects available at home filled the audience with surprise and wonder. Annual report reflected the consolidated toil of students and teachers. The school band Crescendo presented a soulful rendition "The Journey of Seven Swar" which was indeed a riveting presentation. And finally, the SAFARNAMA found its virtual platform. It was a mesmerizing trip down the memory lane. It definitely brought back all the wonderful memories, beautiful smiles, true joys, deep laughter and everlasting fun.

The positive feedback and instant messages of parents were overflowing after the event was live and that was indeed the reward of the toil and perseverance of the DPS, GBN Team.

## Self-Belief Is the Key to Success

*"There are no shortcuts to the life's greatest achievements."*

-Kelsey

We at DPS, GBN emphasize on all round development of our young minds. Our students are empowering themselves under the guidance of their parents and teachers. Arul Kashyap of class VII A has emerged out as young writer for online portal-FairGaze. He writes articles to express himself on different subjects. He won third prize for his poem and won trophy and cash prize of Rs.500/-. Congratulations to our rising star!

## Investiture Ceremony 2020-21

*"Leadership is not a position or a title, it is action and example."* - Cory Booker

The Investiture Ceremony is a solemn occasion wherein the students take on the mantle of leadership and responsibility while carrying it out with utmost dedication. DPS, GBN provides an opportunity again to students to represent school and themselves with their merits. Elections were conducted in junior wing providing each student to contribute and senior wing conducted online interview and democratic polling for electing the head posts like head boy and girl. All students from class VII to XII voted for their best representative for school.

The elections were held smoothly online and giving students a chance to cast votes and reflect their choice in the student council making.

Results:

Head boy – Akshat Ajwani won by 240 out of 363

Head Girl- Tisha Shrestha won by 214 out of 365

## DPS, GBN Shines Again!

We are delighted to share that DPS, GBN has added another feather to its cap as it is ranked India's number 4, Uttar Pradesh's number 2 and Noida's number 2 in campus Architecture and Design in Education World Grand Jury Awards 2020-21.

# National Mathematics Day Celebration

“Math is not about numbers, equations, computations or algorithms: it is about understanding.” -William Thurston

Mathematics provides an effective way of building mental discipline and logical reasoning. National Mathematics Day is celebrated on December 22 to commemorate the birth anniversary of India's Mathematical genius Srinivasa Ramanujan. We, at DPS, GBN, believe in integrating academia with activities which help the students to stay interested and enjoy learning concepts. Keeping this in mind class I - IX celebrated National Mathematics Day, online, on December 22, 2020 to spread awareness amongst students the achievements of our great Mathematician. Students were engaged in various activities like Fraction Bird, Pixel Art, Geometric Illusion, Online Quiz, Brain Storming Puzzles, Mathematics Riddles etc. The students participated in the celebration with enthusiasm and zeal and also appreciated the different and interesting perspective provided to them on the subject.

## Mood Indigo 2020

Mood Indigo - the annual cultural festival of IIT Bombay, renowned to be Asia's Largest College Cultural Festival is presently in its 50th edition. This year it planned to create a world record with the most number of students making paper cranes together (virtually). Students of DPS, GBN enthusiastically participated in the same. We are happy to share that total 800 students of our school from classes V- XII registered and participated in the attempt of world record. The idea behind making the paper cranes was the prayer for those who lost their lives due to the pandemic and in a hope that things will get better and there will be peace in future.
