## Helping Hands Heroes

*"Those who are the happiest are those who do the most for others."*

*-Booker T. Washington*

DPS, GBN organized a fun and educational Community Helpers Dress-up Day for Grade Nursery to help children understand the roles and significance of the people who serve our community. The event, held on January 15, 2025, was designed to engage children through role play, creative arts, and a special assembly. It aimed to teach children about various community helpers, their responsibilities, and their contributions to society, while also fostering gratitude and respect for these everyday heroes. Children dressed up as their favourite community helpers, such as doctors, teachers, police officers, fire fighters, and farmers. Each child confidently introduced themselves and shared a few lines about the role he portrayed. This interactive experience not only helped children grasp the importance of these helpers but also encouraged creativity and boosted their confidence. The entire day proved to be a wonderful learning experience for our young students.

## Together We Rhyme

***"Rhymes are the music of language; they teach us rhythm, emotion, and creativity." – Maya Angelou***

Rhymes play a crucial role in early education, supporting language development while enhancing children's musical and aesthetic awareness. With this in mind, the 'Together We Rhyme' Recitation Competition in English and Hindi was organized for Grade Early Buds on January 21, 2025. This competition was aimed to nurture a passion for poetry, build confidence, and develop an appreciation for rhythm and language in a fun environment. Our youngest learners participated enthusiastically, charming everyone with their delightful rhymes and joyful presence. They recited simple and cheerful poems with innocence and enthusiasm, captivating the audience with their sweet voices and vibrant expressions. Some children used colourful props to enhance their recitations, making their performances even more engaging. The activity concluded with the participants receiving applause for their efforts, leaving the children with a sense of accomplishment and a deeper love for the beauty of rhymes.

## Twinkle Toes Competition

***"Dancing is the rhythm of the soul expressed in movement, beauty, art, and creativity" – Adrienne Posey***

To nurture the spirit of patriotism among our young learners, DPS, GBN proudly hosted the 'Twinkle Toes Competition' for Grade Nursery on January 24, 2025. This dance competition offered a delightful platform for the little ones to showcase their talents while celebrating their love for the country. Through energetic performances to patriotic songs, our young learners embraced the values of unity, freedom, and respect for their nation. The competition was much more than just a dance event; it was a celebration of innocence, creativity, and national pride, leaving lasting memories for both participants and spectators. The children were also engaged in a hands-on activity of creating tri-coloured flags, fostering a deeper connection to patriotism. Little munchkins were also sensitized about the National Bravery Awards, which are presented to children across India in recognition for their meritorious acts of bravery. A strong sense of patriotism filled the atmosphere, creating an inspiring and heartwarming experience for everyone.

## Pride in Unity: Republic Day Celebration

***"We must re-dedicate ourselves to the cause of freedom and strive to build up a united and democratic India." - Dr. Rajendra Prasad***

To nurture the spirit of patriotism among our young learners, the little stars of the Pre-primary wing came together on January 24, 2025, to celebrate Republic Day with zeal and pride. The event commenced with the children dazzling in vibrant tricolour attire as they confidently marched in a mini parade, symbolizing unity and national pride. Building on this enthusiasm, the children delivered a captivating performance in a special assembly, honouring India's brave freedom fighters. Dressed as iconic heroes from the country's struggle for independence, they spoke heartfelt lines that inspired the audience with innocence and dedication. Adding to the festivities, the children embraced the patriotic spirit with soulful renditions of melodious patriotic songs, reflecting their deep love and respect for the nation. The celebration concluded with a creative craft activity, where the children produced vibrant artworks that beautifully celebrated India's unity in diversity, leaving a lasting impression of pride and patriotism in every child's heart.

## Dipsites Got Talent

***"Talent is a pursued interest. Anything that you're willing to practice, you can do."***  
**- Bob Ross**

Our Grade K1 stars shone brightly as they showcased their extraordinary skills during the much awaited 'Dipsites Got Talent' event on January 27, 2025. This vibrant event highlighted the young talents of our performers in singing, dance, art, and cooking, leaving the audience awestruck with their creativity and confidence. From melodious tunes sung with innocence to rhythmic dance performances that radiated joy, the little ones captivated everyone with their passion and proved that talent knows no age. The budding artists impressed with their imaginative artworks, while the mini chefs stole the show by crafting delightful no-cook dishes that were as visually appealing as they were creative. The event not only celebrated the diverse talents of the children but also nurtured their self-expression and confidence, creating lasting memories. It was a true reflection of the joy of learning, the spirit of creativity, and the boundless potential of our young learners.
